

Christmas greetings

Instead of sending cards we are writing our Christmas message below and giving our card money to Rosie's Helping Hands charity

Your donation this Christmas will make a difference through the year to many local children and young people in need of support. Rosie's Helping Hands offers help towards the little things that improve the quality and care of young lives in the area. The main need is for toys and equipment or facilities to hold out of school activities, or counselling for bereaved children.

Please give your donation to the nominated organiser:
